CLASSIC STYLE Stylish and Effective EAS Protection

The CLASSIC STYLE antenna from Checkpoint systems combines sophisticated software driven electronics with superior noise reduction capability in an attractive acrylic design.

The CLASSIC STYLE antenna can fit perfectly into any environment, without impacting the customer shopping experience. The Plexiglas design and Integrated Dual Color LED's – which can be set to permanent on or when the antenna is alarmed – is perfect for those retailers who want top design without sacrificing performance.

*Ruby Red optional colored base cover shown above
